Last weekend, my dad and I went to the circus, and it was the most 1 _____ day ever!

The first thing we did was buy a giant 2 _____ to snack on.

Dad's had 3 _____ as a topping.

We said WOW! as we watched the aerialists twirling high above us. Dad tried to copy their moves by hanging from the back of his seat, but he ended up with his 4 _____ stuck in a 5 _____.

Then came the Double Wheel of Destiny. Four performers ran and jumped inside huge spinning wheels, looking like giant 6 _____. Dad was so impressed he started clapping and accidentally knocked over a 7 _____ that rolled all the way down the aisle.

Dad's favorite performer was the amazing Ringling[®] Rocket! She flew through the air like a 8 _____ before landing in a pile of 9 _____!

It was the best circus ever. We laughed all the way home, and I can't wait to go with my dad again!
